

NON PROFIT ORGAIZTION

2008/2009 SPONSRSHIP PACKAGE

Dear Friend,

North Avon Christchurch BMX Club is a bicycle motocross program that has been in existence since 1981. North Avon Christchurch BMX is a parent/volunteer organization that relies on the support of local businesses and community leaders in order to keep our track fun and safe for our riders.

We are seeking financial assistance from small businesses, large corporations and community members to help defray and support operating expenses for the 2008 racing season. Though the track is located within the confine of Bexley Reserve Park system, the organization receives no financial support from the Christchurch City. Our operating budget this year includes our annual track rentals, as well as preparation fees for our Spooks @ Spooks events meeting 31st Oct and 7th Nov 2008.

North Avon Christchurch BMX has various levels of sponsorship. Please see the attached sheet for further details.

Thank you, in advance, for helping to make the 2008 racing season a great success.

Sincerely,

North Avon Christchurch BMX Club
